# Town of Los Gatos Comprehensive Fee Schedule FY 2010/11

#### TOWN OF LOS GATOS FEE SCHEDULE

The following Fee Schedule is effective July 1, 2010 through June 30, 2011, unless updated by the Town Council. The Fee Schedule will be adjusted annually by the average Consumer Price Index (Bureau of Labor Statistics, U.S. Department of Labor for the San Francisco/Oakland/San Jose Metropolitan Statistical Area) for the calendar year and/or by the percentage increase in actual operating costs for the current year – whichever is greater. This Fee Schedule also provides for minimum annual adjustments for those fees that are directly related to personnel costs. Other adjustments may be made to maintain consistency with the surrounding municipalities within the Town of Los Gatos region but in no case are fees charged in excess of service delivery costs.

#### **Building Division** – cont'd

#### Other Fees - cont'd

# C. NPDES Inspection Fee (Charged on all building permits with the potential to generate non-point source storm water runoff during construction)

\$58.00

#### D. State of California Mandated Building Standards Fee – SB 1473

A surcharge shall be added to all building permits at the rate of four dollars (\$4) per one hundred thousand dollars (\$100,000) in valuation, with appropriate fractions thereof, but not less than one dollar (\$1). These funds will be available to the California Building Standards Commission, the Department of Housing and Community Development, and the Office of the State Fire Marshall for expenditure in carrying out the provisions of the State Building Standards Law and provisions of State Housing Law that relate to building standards. Up to ten percent (10%) shall be retained for related administrative costs and for code enforcement education.

#### **Planning Division**

The fees listed below constitute all fees imposed by the Planning Division. Certain types of applications must be reviewed / processed by other departments/agencies, which may impose separate fees. Applicants are advised that the fees for those services are not included in the Planning Department's fees. Where the term "actual cost" is used here, it shall mean: materials, supplies (including any costs of noticing or publication), outside consultants, employee cost will be billed at the top step, plus benefits, plus overhead. The following fee schedule is established for applications filed pursuant to the Town Code. The fees are collected by the Community Development Department at the time the application is filed unless otherwise noted.

#### **Fees for Additional Processing**

In the event additional processing services by the Town are required due to changes, modifications, additions, errors, omissions, or discrepancies caused by the applicant or his/her agents or representatives, the applicant shall pay an additional fee as determined by the Director of Community Development to cover the actual cost.

#### **Fees for Lack of Progress**

If additional information is required by the Town for an application and the requested information is not submitted within 180 days, the applicant will be required to pay a fee of 10 percent of the current application fee at the time the requested information is submitted. Any re-submittal after one year will be processed as a new application, subject to new fees.

#### **Fees for Major Projects**

If it is anticipated that the application processing costs of selected major projects will significantly exceed the following fees, the Director of Community Development may collect a deposit and charge actual time spent to process the applications based upon current hourly rates.

**Surcharges:** All of the following applications are subject to the surcharge fees as set forth in General Development Services and in Section 5.H of Planning Division.
